

## How It Works

After parking, note the space number on your space marker

## Pay On Street

- Locate a conveniently placed e-park station. You can use any pay station on the way to your destination
  - Press “OK” to start
  - Follow the screen prompts
  - Pay for parking using coin, credit (Visa or MasterCard), debit, or e-park smart card
  - Keep your receipt to add time later
  - Use any e-park station to add more time
- See reverse side for detailed instructions*

## Pay By App

- Download the ePark Ann Arbor app and pay from your smartphone

For more information, call 734-761-7235 or email [annarborparking@rpsa2.com](mailto:annarborparking@rpsa2.com)

## Visit an e-park pay station immediately after parking your vehicle

1. Press the “OK” button to start
2. Enter your space number and press “OK”
3. Press “1” to pay for parking
4. When screen reads “Please Insert Coins or Card”:
  - a. For coins: Insert coins for the desired amount of time
  - b. For credit/debit card: Insert and remove card. Allow a few seconds for processing. Press “1” to add more time as desired
5. Press “OK” to complete or “CANCEL” to cancel the transaction
6. When prompted, press “OK” to print receipt or “CANCEL” if no receipt is desired. You do not have to display your receipt in your vehicle, but hold on to it if you’d like to add more time later
7. Take receipt from lower slot

## Add more time to a space and continue parking

Note: Time cannot be added beyond the posted limit for your space

1. Press the “OK” button to start
2. Enter parking space number and press “OK”
3. Press “2” to add time to space
4. Follow steps 4-7 above

or

## Pay for parking using a smart phone

Download the ePark Ann Arbor app from the App Store or Google Play

Easily pay, add time and get reminders on your phone
